

AROGYAM Peri-Doctoral Workshop, JNU

School of Social Sciences-I, Jawaharlal Nehru University, New Delhi

15th – 17th February, 2016

Organiser: Professor Mohan Rao

At this workshop, a total of 24 students drawn from all the participating institutions presented and discussed papers derived from their doctoral research on different aspects drawn from AROGYAM's work.

The workshop was spread over a period of 3 days and had 12 sessions.

The format followed was that each student authored a paper, which was presented by a different student, and then discussed further by a faculty member, before open discussions and responses.

Participants' feedback stressed how the workshop contributed, broadened and brought in new perspectives. Altogether, the students attending the workshop found the experience immensely valuable.
